

Dino Caro is Senior Vice President for Integrys Energy Services, Inc. His responsibilities include the oversight of the Front Office which includes Sales to both DMM and Commercial/Industrial customers, Marketing, Account Management and Channel Partner Management. In addition, Dino is the Local Leader of the Ann Arbor, Michigan office.

Dino joined Integrys Energy Services in October 2002 as it was building out its retail electric strategy. He joined the company in a structuring and valuation role where he created the models used to price and hedge retail electric products. He participated in the expansion into Michigan, New York, the Mid-Atlantic, Illinois and Texas.

Prior to joining Integrys Energy Services, Dino had an 11-year career with a similar utility holding company, Westcoast Energy. In 1991, he joined their largest gas utility, Union Gas, in the gas supply department where he worked in forecasting, scheduling, supply acquisition and risk management.

In 1997, he left the utility to launch an unregulated affiliated gas marketing company, Union Energy. There he was responsible for all supply-related issues required to source and deliver gas to residential and small commercial customers in Ontario, Canada. In 2001, he transferred to another unregulated affiliate of Westcoast Energy, Engage Energy. There he was responsible for the structuring and valuation of large wholesale power and gas transactions.

Dino received a Bachelor of Applied Science degree in Mechanical Engineering from the University of Windsor (Windsor, ON) in 1991 and a Masters of Business Administration also from the University of Windsor in 1997. He is a registered Professional Engineer in the Province of Ontario.

Dino lives in Tecumseh, Ontario, with his wife Gioia and three wonderful sons.
